Welcome to the Calgary Police Youth Foundation's 2021 Annual Report. Through this report back to the community, we will showcase the accomplishments and milestones reached this past year thanks to the support of our donors, sponsors, partners and volunteers. Our shared vision of building brighter futures for all children and youth in Calgary is made possible every day by your generosity and we are thankful to have you as a part of our Calgary Police Youth Foundation family.

Since 2011, the Calgary Police Youth Foundation has worked to educate children and youth about good citizenship, safe communities, policing, and avoiding victimisation and crime by funding seven unique child and youth programs. These programs are delivered by the Calgary Police Service with the support of Alberta Health Services and City of Calgary – Calgary Neighbourhoods. Through these programs, children and youth ages five to eighteen are provided with education, prevention and early intervention resources that help keep them safe from crime or prevent them from becoming victims of crime.

Over the past eleven years, the Calgary Police Youth Foundation has worked to raise over \$19M in support of children and youth in our community and thanks to your generosity, over 30,000 children and youth were impacted in 2021. As we reflect on this past year and look towards the future, we are reminded that our work is not yet done. Now more than ever, young people in our city are facing difficult challenges and need our help. These past two years have presented us with a unique set of challenges that we are proud to have overcome but we know that we can do more. This year, we have expanded our focus beyond the scope of our funded programs to address the individual needs of our communities and have been able to lean on our friends at the Calgary Police Service for their guidance and expertise on how we can make the greatest impact.

We are proud to work with the Calgary Police Service every day to prioritize keeping our communities safe while providing ongoing support to children, youth and families in need. Through this partnership we have learned the positive impact that early intervention can have on communities and the importance of putting the safety of children and youth first.

In my closing comments, I wish to share with all of you that I will be transitioning off the Board during 2022 and that a new Board Chair was appointed on May 17, 2022. Bonita Croft, former Chair of the Calgary Police Commission and a current Board member enthusiastically agreed to accept the role. I am very pleased to be passing the baton to such an accomplished leader who works hard to keep our city's children safe from crime and victimisation. It has been my great honour and privilege to Chair the Board since its inception. Thank you for your support and thank you for making a difference in the lives of children and youth in our city.

Sincerely,

Brian Ferguson

# BOARD OF DIRECTORS

# MEET OUR TEAM

**SUSAN CRON**  
Executive Director

*As Executive Director, I have the privilege of leading the organisation on behalf of the Board of Directors. I am responsible for overseeing the administration, programs and strategic plan of the organization. I am very fortunate to work with talented and driven Board members and staff every day.*

**BARBARA POHL, MBA**  
Senior Director, Community Engagement

*I have been with CPYF since 2017. My work with the Foundation donors, corporate partners, community supporters, as well as CPS officers, brings me personal and professional joy and satisfaction as I get to work with some of the most generous and kind people in our beautiful city. My professional North Star is to bring social, economic, and human-centered compassion and support to those that need it most.*

**STEPHANIE UHL**  
Coordinator, Marketing and Communications

*As a member of the CPYF team, I have the pleasure of sharing our incredible story with the public and inspiring them to get involved through the use of our social media platforms, website and printed materials. Away from the office, I enjoy playing recreational sports, jetting off to exotic lands, and cheering on our Calgary Flames.*

**ANNIE DRINNAN**  
Coordinator, Operations and Projects

*My role at CPYF is a unique and ever-evolving position; I am grateful to wear several hats as I lean in to day-to-day operations, coordinating special events, and working alongside Calgary’s finest at CPS. No two days are alike in the office, and each day brings a new opportunity to work and support our local youth and children. In my spare time, I can be found fly-fishing our world-class waters, hiking throughout, and hosting family and friends for dinner and board games.*

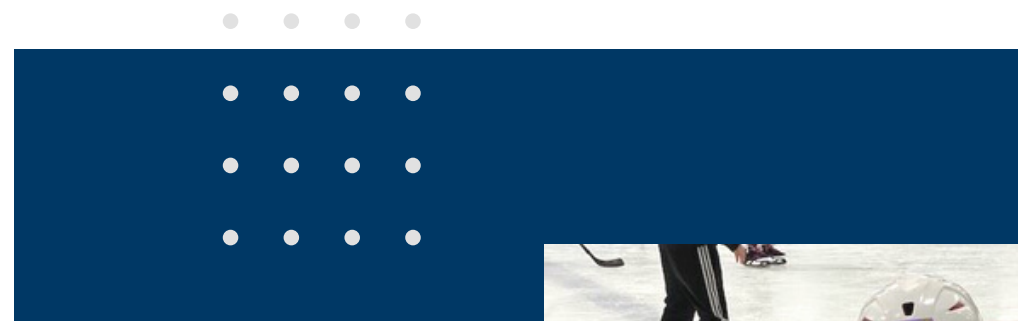

**DIETLINDE WALL**  
Coordinator, Donor Relations and Data Management

*I have been a member of the CPYF team since 2016, providing data management as well as support with donor relations and lending a hand with our many projects and events. In my leisure time I enjoy road trips into the back country, photography and time with my family, friends, and dogs.*

# ABOUT US

The Calgary Police Foundation, operating as the Calgary Police Youth Foundation, has a purpose to educate children and youth about good citizenship, safe communities, policing and avoiding victimisation and criminality.

We do this by supporting seven child and youth Programs that focus on crime prevention, education, early intervention, and risk reduction. The Programs target areas where the need is the greatest and help us create a community where all children and youth have the opportunity to thrive and succeed.

These Programs are delivered by the Calgary Police Service (CPS) and other agency partners including the City of Calgary - Calgary Neighbourhoods, and Alberta Health Services.

We believe that the crime prevention, education, and intervention Programs delivered by the Calgary Police Service and other community partners are best in class and provide a blueprint model for other police services across Canada to follow.

## STRATEGIC PRIORITIES

- Focus on Core Business
- Practice Fiscal Discipline
- Stabilize Revenue Streams
- Increase Number of Donors
- Foster Strong Relationships with Individuals, Corporate and Community Partners
- Enhance Communications and Marketing

## BUSINESS PLAN OBJECTIVES

- Collaboration and alignment of efforts across child-youth agencies
- Calgary youth have timely access to crime prevention, education, and early intervention resources
- Children accessing CPYF funded Programs demonstrate good citizenship, are mentally and emotionally strong, and are responsible digital citizens
- Safety of all children and youth in Calgary is a top priority
- Initiatives targeting Indigenous youth are implemented
- CPYF Program support is based on evidence-based research and evaluation

# PROGRAM OVERVIEW

## Integrated School Support Program (ISSP)

ISSP is crime prevention initiative that provides intensive, wraparound support services to address a variety of needs in two elementary schools in Calgary's N.E. community of Forest Lawn. The goal is to improve academic performance and the social, emotional, and physical well-being of children through a positive police presence, on-site psychologist, physical education teacher, social worker, access to a health clinician, breakfast and lunch programs, and after-school programs.

372 students enrolled in schools supported by ISSP

48 Indigenous students enrolled

40% of students are English Language Learners (ELL)

## Hear from the ISSP staff:

“

*“ISSP offers many benefits to students and their families that reach far beyond any predetermined goals and objectives. Together, all of the ISSP multidisciplinary team members contribute important roles and functions that wholly and effectively facilitates a positive wrap-around environment of supports and services, which will forever empower students in their personal development and citizenship over the course of their lifetime.”*

– **Kenneth Barabash, PhD, Psychologist, Patrick Airlie School**

*“The support of ISSP has been absolutely essential to our families feeling connected to the school and developing a sense of community. Even within COVID, the supports that have been provided via the various food options, continued daily activity in Phys. Ed. and continued psychology, have allowed us to move forward with the work of teaching and learning, knowing that students can access the basic needs and supports because of this Program.”*

– **Anica Robinson, Principal, Patrick Airlie**

”

## Multi Agency School Support Team (MASST)

MASST is an early intervention, school-based program that supports children 5-12 years of age who are exhibiting behavior which puts them at risk for negative, possibly criminal patterns of behaviour or victimization into teen years. The children and their families work closely with teams of police officers, registered social workers, and mental health care professionals to achieve their long-term goals.

The average age of clients in MASST is eleven years old

158 clients on the caseload in 2021

76% of clients attend CBE schools in Calgary

## What the MASST families are saying:

*“We are grateful that our child was introduced to Mike and Lee-Ann. We are thankful for MASST’s involvement with our family and have noticed a significant improvement [in all of our children]. MASST has connected the whole family to supports and services.”* – **Grateful Parents**

*“I can’t thank you guys enough for all you have been to my family. We are forever grateful to have had this connection.”* – **MASST Parent**

*“Thank you for supporting H and for working with the school. I have had many experiences with MASST and this service is essential in supporting students, strengthening communities and advancing society and the common good.”* – **Principal at Sacred Heart School**

*“I am beyond grateful for all the love, support and gifts that MASST has provided my family with. Thank you for not only doing your job but for truly touching my family through the work that you do.”* – **MASST Mother**

Cadets at the Pathways' Community Friendship Round Dance

Cadets volunteering at AgeCare

## Everyone loves the Cadets:

*"Thank you to everyone for all that you do for our children and for the exceptional leadership that your team provides for our youth. The Calgary Police Cadets has been a huge part of Ashlyn's life and will be continuing through her choice of career in law enforcement".*

– **Cadet Parent**

*"Your participation this past year was crucial to our success and did not go unnoticed. Thank you for the contribution that you made. The Field of Crosses memorial would be just an idea without you and all the participants who make its reality possible. We appreciate you." - J. Murray McCann M.S.M., Chairman and Founding Director*

## Calgary Police Cadet Corps

The Calgary Police Cadet Corps is a program for youth ages 12-18 that allows the Cadets and their families to connect with their community and learn about the elements of community-based policing from Calgary Police Service members. The Cadets develop a great sense of pride and discipline through their involvement in a hierarchical system that hones their leadership and citizenship skills.

Cadets received 116 hours of training in 2021

119 Cadets were enrolled in the program in 2021

An average of 90 Cadets attended each week

Cadets volunteered 944 hours in 2021

## Youth at Risk Development (YARD) Program

YARD is a community-based, early intervention program that supports youth ages 10-17 that are currently at risk, affiliated with a gang, or involved in gang activity. YARD teams work closely with the youth client, their families, schools, and community agencies to achieve goals in the following areas: improving interpersonal relationships, improving mental health and wellness, increased life skills and increased pro-social activities.

83% of YARD clients are male

22% of clients are Indigenous

129 Clients on Caseload in 2021

## Hear from the Parents of YARD Participants:

*"Thank you so much, I really appreciate what you are doing for my family and I will always remember to pass it on and give back someday. God bless your kind heart."*

*"Thank you kindly. We truly appreciate your time and support. YARD is amazing and life changing. It's because of people like you that makes it so successful. Thank you always, wishing you all the best Christmas."*

## What the YARD Program Staff are Saying:

*"Working with YARD youth is an opportunity to change a young person's path due to the reality of the multiple difficult barriers our young people and families face. It brings perspective to simply be able to provide a family with food when they cannot afford to buy groceries, even though both parents work full time, or to be able to connect a young person to a much loved recreational activity such as basketball, which they could not otherwise participate in."*

*We are able to see them gain self confidence and make good choices as a result. It's a privilege to have the ability to engage and connect with a young person who otherwise has limited support on their path to adulthood."*

YouthLink Calgary Police Interpretive Centre

## What the Youth are Saying:

*"If there is someone being bullied, we know now how to say no to bullying, we know how to support that person, and we can avoid being the bully ourselves. We can prevent these things because now we know when is it appropriate to call it bullying, how to tell an adult and use our devices and screen time wisely."*

*"The presentation taught me about how to properly say no when offered drugs, and at my age when that is more likely to happen as I grow up, I find that very helpful."*

*"The entire experience was very fascinating and informative. I really enjoyed the hands-on displays and hearing/reading the back stories of the real crimes. Also seeing the evidence and real examples was very impactful."*

29,929 individuals were impacted through YouthLink Calgary programming in 2021

3082 members of the public visited YouthLink Calgary from July - December 2021

300 youth participated in YouthLink Calgary camps in 2021

## YouthLink Calgary Police Interpretive Centre

YouthLink Calgary is an award winning, interactive learning centre that delivers relevant and captivating content that encourages youth to confront the issues of their time, make positive life choices and become responsible citizens in their communities. Youth and their families become empowered to make good decisions while learning about staying safe from crime and victimisation through educational exhibits focused on gangs, drugs, bullying, online safety, healthy relationships, and forensics.

## Hear from a Power Play Participant and Parent:

*"I like that [the officers] make sure it is safe and they are all nice. Everybody is kind and I like skating with the officers." - Vesko, Age 7, Power Play Participant*

*"I love watching the smile that Power Play has brought to his face. He was having self esteem issues before hand and he has turned around 100% of his happiness." - Nadine, Vesko's Mother*

Child at Power Play

## Power Play

Power Play is a free, weekly drop-in program that engages youth ages 6-17 and creates opportunities for participants to skate and play soccer while interacting with CPS officers in a safe and supportive environment. Power Play provides Calgary's youth with healthy physical activity during the critical after-school hours, a time when youth are most likely to be tempted by high-risk, criminal behaviour, while building relationships between communities and the Calgary Police Service.

10% of participants are Indigenous

2 elementary schools in Forest Lawn are served by Power Play

An average of 30 participants attended each week (COVID capacity in effect)

# 2021 HIGHLIGHTS

## 2022 Calendar Campaign

In 2021, the Calgary Police Youth Foundation and the Calgary Police Service launched two brand new calendars, along with the annual CPS Canine Calendar. These two new calendars featured the horses of the CPS Mounted Unit, along with the motorcycles of the CPS Traffic Section, and both were a huge hit with our supporters. These three stunning calendars found homes all around the world and are sure to bring smiles to the faces of purchasers all year long!

Backpack Drive Volunteers

## Pohkaiksinimaatstoh'taksist Backpack Drive

In 2021, the Calgary Police Youth Foundation hosted its second annual Backpack Drive for Indigenous and marginalized students. This campaign provided 705 backpacks stuffed with school supplies and grocery gift cards to students in Calgary to equip them with the tools they need to succeed all year long. I Can for Kids generously donated warehouse space to the campaign and we were joined by more than a hundred generous volunteers who helped assemble and distribute backpacks to students getting ready to return to school.

## Community CPS District Initiatives

For the first time, in 2021 CPYF partnered directly with CPS District Offices to host a variety of new community engagement initiatives. These initiatives provided CPS with an opportunity to interact with members of the community, while teaching children and youth how to stay safe from crime and victimisation. Examples of these initiatives include our Ishan Celebration, Bike Safety Day, Operation Empowering Youth, the Car Seat Safety Clinic, Operation Sole and Operation Happy Feet. Through all of these events, children and youth were able to meet the police, have some fun, and learn about the importance of staying safe from crime.

## Amazon Giveaways

Thanks to a new partnership with Amazon, the Calgary Police Youth Foundation was able to host multiple giveaway days throughout the year to benefit children and youth in our communities. Every few months, Amazon would provide us with donated goods and our job was to give them away to those who would benefit most from the donated items. CPS Members were invited to 'shop' through the donated goods from Amazon, taking items that could be used when serving clients in the community. Thanks to this incredible partnership, hygiene items, food, cleaning supplies, electronics, stationary, clothing and lots of toys made their way into the hands of children, youth and families in need of support.

## Cooking with Kids & Kiki's Care Boxes

The Calgary Police Youth Foundation and the Kiwanis Clubs of Calgary and Area partnered this year to create a fun, kid friendly Cookbook with a goal of teaching kids valuable cooking skills and encouraging more family time together in the kitchen. Proceeds from the Cookbook supported our Kiki's Care Box hamper campaign, which provided 1,000 hampers filled with food and essential items to children and youth over the holiday season. Hampers were provided by CPYF to Indigenous and marginalized students in Calgary, while Kiwanis Clubs across Calgary and area also distributed a large quantity of Kiki's Care Boxes to the broader communities.

## Making New Friends

Throughout the year, the ongoing pandemic demonstrated an increased need for support in many communities across the city. To help combat this, CPYF expanded our reach beyond the core Programs we fund which allowed us to foster new relationships with other not-for-profits and serve even more people. Two new friends we made this year include the Stardale Women's Group and the Highbanks Society. It was our pleasure to provide both organisations with backpacks and hampers and to support the tremendous work they are doing to enhance the lives of the young people they support.

Cadets at Sunridge Mall

### Cadets in the Community

The Calgary Police Cadet Corps program returned in 2021 stronger than ever. Cadets volunteered for a number of community events and initiatives including the Pathways Community Friendship Round Dance, YouthLink Calgary summer camps, the Calgary Police Rodeo, AgeCare Seniors Facility luncheon, and showcased their fundraising skills by raising thousands of dollars through sales of grocery cards at Sunridge Mall. The Cadets volunteerism and community service is an inspiration to us all.

### CPS Support and Keeping It Real with Chief Neufeld

The Calgary Police Youth Foundation is grateful to have the ongoing support of the Calgary Police Service. We can not do what we do without CPS. Last year, we hosted the “Keeping it Real with the Chief” event. Guests joined Chief Neufeld virtually for dinner and beer while they learned about the importance of keeping children and youth safe from victimisation and crime. This was a great opportunity for members of the public to interact with the Chief in a casual setting while gaining a valuable perspective on crime and victimisation in our city.

### 2021 Chief Youth Courage and Philanthropic Leadership Awards Celebration

As pandemic restrictions began to ease in the Fall of 2021, CPYF was finally able to host our first in-person Chief Youth Courage and Philanthropic Leadership Awards celebration event. This event recognized five youth from CPYF funded programs, along with our Philanthropic Leadership Award recipient, the Shaw Family with special recognition of JR Shaw.

Hosted at the Petroleum Club in downtown Calgary, our event emcee, Leslie Horton led guests through an evening filled with heartwarming speeches, award presentations, a delicious dinner and incredible silent auction. Guests were also able to attend the event virtually by tuning into a special live stream, which helped us manage COVID-19 capacity restrictions at the time.

We were incredibly grateful to be able to gather again in person to celebrate the achievements of our Chief Youth Courage Award recipients, Harveer, Mikhail, Vesko, Dylan and Drake. The evening was made even more special as we were able to celebrate and recognise the great philanthropic Shaw family of Calgary, with special recognition of JR Shaw.

## HOW YOU CAN HELP

The Calgary Police Youth Foundation relies on the support of generous Calgarians to continue our critical work in the community. Below are just a few examples of how you can get involved and make a difference for vulnerable children and youth:

**Promising Futures** – Join Promising Futures, our monthly giving campaign, and help support children and youth all year long! Monthly Giving is an easy and convenient way to give and helps donors make a large impact over time.

**Volunteer** – Our programs, events, and campaigns throughout the year would not be possible without the support of our amazing volunteers. These individuals generously donate their time, talent, and treasure to make a difference for children and youth.

**Donate Gifts in Kind** – We are grateful to accept a variety of donated goods and services in support of various events and campaigns throughout they year. Have something you would like to donate? Let us know at [CPYF@CalgaryPolice.ca](mailto:CPYF@CalgaryPolice.ca).

**Become a Sponsor** – Companies have the opportunity to financially contribute to initiatives throughout the year as a unique way to give to the Calgary Police Youth Foundation.

**Planned Giving** – Leaving a legacy gift to the Calgary Police Youth Foundation is a great way to give while helping to sustain future funding for the children and youth we serve.

**Make a One Time Donation** – Donating online is easy! Visit [www.Donate2CPYF.ca](http://www.Donate2CPYF.ca) and make a donation to help keep children and youth safe from victimisation and crime.

**Shop Online** - Visit our online store at [www.CPYFStore.ca](http://www.CPYFStore.ca) to purchase goods throughout the year such as our Cooking with Kids Cookbook, calendars, merchandise and more!

**Stay Involved with our E-Newsletter** - Stay in the know and be the first to hear about new campaigns, events, and opportunities by signing up for our monthly E-News! Visit our website or email us at [CPYF@calgarypolice.ca](mailto:CPYF@calgarypolice.ca) to sign up.

# THANK YOU TO OUR PARTNERS, DONORS & SPONSORS

Our critical work in the Calgary community would simply not be possible without our community partners, sponsors, donors, and volunteers. With your generosity, we were able to support more children and youth than ever before, and you have truly helped make a difference in each of their young lives. Thank you so much for your support.
